Joint Venture with Frasers Centrepoint Limited to Acquire £175 million Farnborough Business Park in the United Kingdom

14 December 2017
Certain statements in this Presentation constitute “forward-looking statements”. Such forward-looking statement involve known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of Frasers Commercial Trust ("FCOT") or Frasers Centrepoint Asset Management (Commercial) Ltd., as manager of FCOT (the "Manager"), or industry results, to be materially different from any future results, performance or achievements expressed or implied by such forward looking statements. Such forward-looking statements are based on numerous assumptions regarding the Manager's present and future business strategies and the environment in which FCOT or the Manager will operate in the future. Because these statements reflect the Manager’s current views concerning future events, these statements necessarily involve risks, uncertainties and assumptions and you are cautioned not to place undue reliance on these forward-looking statements. Actual future performance could differ materially from these forward-looking statements.

The Manager expressly disclaims any obligation or undertaking to release publicly any updates or revisions to any forward-looking statement contained in this Presentation to reflect any change in the Manager's expectations with regard thereto or any change in events, conditions or circumstances on which any such statement or information is based, subject to compliance with all applicable laws and regulations and/or the rules of Singapore Exchange Securities Trading Limited (the “SGX-ST”) and/or any other regulatory or supervisory body or agency.

The value of FCOT units ("Units") and the income derived from them, if any, may fall or rise. Units are not obligations of, deposits in, or guaranteed by, the Manager or any of its affiliates. An investment in Units is subject to investment risks, including the possible loss of the principal amount invested. Investors should note that they have no right to request the Manager to redeem their Units while the Units are listed. It is intended that Unitholders may only deal in their Units through trading on the SGX-ST. Listing of the Units on the SGX-ST does not guarantee a liquid market for the Units.

This Presentation is for information only and does not constitute an invitation or offer to acquire, purchase or subscribe for the Units. The past performance of FCOT and the Manager is not necessarily indicative of the future performance of FCOT and the Manager.

This Presentation contains certain information with respect to the trade sectors of the tenants. The Manager has determined the trade sectors in which the tenants are primarily involved based on the Manager’s general understanding of the business activities conducted by such tenants. The Manager's knowledge of the business activities of the tenants is necessarily limited and such tenants may conduct business activities that are in addition to, or different from, those shown herein.

This Presentation includes market and industry data and forecast that have been obtained from internal survey, reports and studies, where appropriate, as well as market research, publicly available information and industry publications. Industry publications, surveys and forecasts generally state that the information they contain has been obtained from sources believed to be reliable, but there can be no assurance as to the accuracy or completeness of such included information. While the Manager has taken reasonable steps to ensure that the information is extracted accurately and in its proper context, the Manager has not independently verified any of the data from third party sources or ascertained the underlying economic assumptions relied upon therein. No representation or warranty expressed or implied is made as to, and no reliance should be placed on, the fairness, accuracy, completeness or correctness of the information or opinions contained in this Presentation.
