Certain statements in this Presentation constitute “forward-looking statements”, including forward-looking financial information. Such forward-looking statement and financial information involve known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of FCOT or the Manager, or industry results, to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements and financial information. Such forward-looking statements and financial information are based on numerous assumptions regarding the Manager’s present and future business strategies and the environment in which FCOT or the Manager will operate in the future. Because these statements and financial information reflect the Manager’s current views concerning future events, these statements and financial information necessarily involve risks, uncertainties and assumptions. Actual future performance could differ materially from these forward-looking statements and financial information.

The Manager expressly disclaims any obligation or undertaking to release publicly any updates or revisions to any forward-looking statement or financial information contained in this Presentation to reflect any change in the Manager’s expectations with regard thereto or any change in events, conditions or circumstances on which any such statement or information is based, subject to compliance with all applicable laws and regulations and/or the rules of the SGX-ST and/or any other regulatory or supervisory body or agency.

The value of Frasers Commercial Trust units (“Units”) and the income derived from them, if any, may fall or rise. Units are not obligations of, deposits in, or guaranteed by, the Manager or any of its affiliates. An investment in Units is subject to investment risks, including the possible loss of the principal amount invested. Investors should note that they have no right to request the Manager to redeem their Units while the Units are listed. It is intended that Unitholders may only deal in their Units through trading on the Singapore Exchange Securities Trading Limited (“SGX-ST”). Listing of the Units on the SGX-ST does not guarantee a liquid market for the Units.

This document is for information only and does not constitute an invitation or offer to acquire, purchase or subscribe for the Units. The past performance of REIT and the Manager is not necessarily indicative of the future performance of Frasers Commercial Trust and the Manager.

This Presentation contains certain information with respect to the trade sectors of the Trust’s tenants. The Manager has determined the trade sectors in which the Trust’s tenants are primarily involved based on the Manager’s general understanding of the business activities conducted by such tenants. The Manager’s knowledge of the business activities of the Trust’s tenants is necessarily limited and such tenants may conduct business activities that are in addition to, or different from, those shown herein.

This Presentation includes market and industry data and forecast that have been obtained from internal survey, reports and studies, where appropriate, as well as market research, publicly available information and industry publications. Industry publications, surveys and forecasts generally state that the information they contain has been obtained from sources believed to be reliable, but there can be no assurance as to the accuracy or completeness of such included information. While the Manager has taken reasonable steps to ensure that the information is extracted accurately and in its proper context, the Manager has not independently verified any of the data from third party sources or ascertained the underlying economic assumptions relied upon therein.

Perth CBD office supply and rents

Premium Grade average net face rents is around A$715 – A$800 psm per annum

Market conditions

- In the 12 months to March 2015, Savills recorded 54,026 square metres of leasing activity in the Perth CBD office market, down 53%
- Softening face rents and increasing incentives favour tenants, resulting in a flight to quality as companies negotiate better deals and upgrade their space
- As at March 2015, Premium Grade net face rents are at A$715 – A$800 psm pa
- Incentives across all grades in the CBD were at 25-30%
- Perth CBD office vacancy was up 5.8 percentage points to 14.8% in January 2015 – the lower grades experience the largest increase in vacancy demonstrating a flight to quality. Premium Grade vacancy was lower at 8.5% in January 2015
- While leasing conditions in the Perth office market are undoubtedly restrained, continued strong economic fundamentals such as population growth and low unemployment ensure that the market is supported
