For immediate release

New Term Loan Facility and Disclosure pursuant to Rule 704(31) of SGX-ST Listing Manual

Singapore, 19 January 2018 – Frasers Centrepont Asset Management (Commercial) Ltd. (the “**Manager**”), the manager of Frasers Commercial Trust (“**FCOT**”) is pleased to announce that a facility agreement (the “**Facility Agreement**”) for a transferable term loan facility of £88 million (the “**Facility**”) for a term of 6 months from the date of first drawdown of the Facility, has been entered into between British and Malayan Trustees Limited, as trustee of FCOT (the “**Trustee**”), as borrower, and DBS Bank Ltd. (the “**Lender**”) today.

The Facility is unsecured and will be primarily used to finance the purchase consideration payable for the acquisition of a 50% interest in Farnborough Business Park in the United Kingdom by FCOT (the “**Acquisition**”), and the fees, costs and expenses in connection therewith.

Disclosure pursuant to Rule 704(31) of the Listing Manual of Singapore Exchange Securities Trading Limited

Pursuant to Rule 704(31) of the Listing Manual of the Singapore Exchange Securities Trading Limited, the Manager wishes to announce that the Facility Agreement contains the following loan covenants which make reference to controlling unitholders' interest in FCOT or place restrictions on a change of control of the Manager (the “**Loan Covenants**”):

The occurrence of any of the following shall be an event of default under the Facility Agreement:

- (i) save with the prior written consent of the Lender (as defined in the Facility Agreement),
 - (A) the Manager resigns or is removed as manager of FCOT; or
 - (B) the Manager ceases to be a wholly-owned (directly or indirectly) Subsidiary (as defined in the Facility Agreement) of Frasers Centrepont Limited (“**FCL**”); and
- (ii) FCL ceases at any time to hold, directly or indirectly through one or more Subsidiaries (as defined in the Facility Agreement), at least 20% of the ordinary units in FCOT.

The reference to a requirement for FCL to “**hold**” such percentage of the ordinary units in FCOT shall be construed as a requirement for FCL to:

1. own in aggregate, directly or indirectly through one or more Subsidiaries (as defined in the Facility Agreement); and
2. have an effective interest in,

that percentage of the ordinary units in FCOT.

Assuming that the full amount of the Facility Agreement is drawn down, the aggregate level of the loan facilities of FCOT and its subsidiaries (including the existing term loan facilities to FCOT and its subsidiaries of approximately S\$909.9 million) that may be affected by a breach of a Loan Covenant (assuming that such breach results in cross defaults) amounts to approximately S\$909.9 million (assuming an exchange rate of A\$1:S\$1.0566 and GBP1:S\$1.8347) (excluding interest).
