FCOT wins prestigious award in corporate governance

Singapore – 11 November 2013 – Frasers Centrepoint Asset Management (Commercial) Ltd (“**FCAMCL**” or the “**Manager**”), the manager of Frasers Commercial Trust (“**FCOT**”, SGX:FrasersComm), is pleased to announce that at the 14th SIAS Investors’ Choice Awards 2013, FCOT was awarded the runner-up in the Singapore Corporate Governance Award under the REITs and Business Trusts category by the Securities Investors Association Singapore (“SIAS”).

The Singapore Corporate Governance Award recognises companies with good corporate governance practices and shareholder interests based on the Singapore Corporate Governance Code, Organisation for Economic Co-operation and Development (“OECD”) standards and shareholder confidence. As an investor body, SIAS actively promotes the interests of investors by highlighting and recognising the efforts of companies that uphold good corporate governance practices.

This year, SIAS, together with Sim Kee Boon Institute for Financial Economics at the Singapore Management University, and Brendan Wood International, developed a new scorecard based on international best practices (OECD) and Shareholder Confidence Index by Brendan Wood International, in addition to the Singapore Corporate Governance Code. This new scorecard not only incorporates the voice of the shareholders, but is also based on international standards.

Mr Low Chee Wah, Chief Executive Officer of the Manager, said “We are honoured to be recognised for our commitment and continuous efforts in upholding high standards of corporate governance practices. This award is an endorsement of the efforts of the Manager and the Board of Directors and will motivate us to continue raising the bar for good corporate governance practices. We believe high standards of corporate governance build trusts with our stakeholders and will also enhance the value of FCOT.”
