**Frasers Commercial Trust announces
Over-subscription of Rights Issue at 136.4%**

Singapore – 21 August 2009 – Frasers Centrepont Asset Management (Commercial) Ltd (“**FCAMCL**”), the manager of Frasers Commercial Trust (“**FCOT**”, SGX:FrasersComm) is pleased to announce that valid acceptances and excess applications for a total of 3,071.8 million rights units were received as at the close of FCOT’s rights issue on 18 August 2009. This represents 136.4% of the total number of rights units available under the rights issue. The Manager announced on 30 June 2009 the fully underwritten 3-for-1 renounceable rights issue of 2,252.0 million rights units at an issue price per right unit of S\$0.095 to raise gross proceeds of approximately S\$213.9 million.

The majority of the proceeds from the rights issue will be used to reduce FCOT’s existing borrowings. The balance will be used for capital expenditure, asset enhancement and general corporate and working capital purposes.

Combined with the acquisition of Alexandra Technopark, to be completed on or about 26 August 2009, FCOT’s balance sheet will be strengthened as its gearing will be reduced to approximately 38%¹.

Dr Chua Yong Hai, Chairman of the Manager said, “We would like to thank all our unitholders for their overwhelming response and support for the rights issue. We will continue to strive hard to deliver stable and sustainable distribution per unit to them and look forward to improved performance from FCOT with the completion of the recapitalisation exercise.”

Mr Low Chee Wah, Chief Executive Officer of the Manager said, “We welcome the strong support from our unitholders. With the successful completion of the rights issue, the impending Alexandra Technopark acquisition and debt refinancing, FCOT will have a stronger balance sheet with no debt maturing until 2012. Our focus will be to direct asset performance through proactive property and asset management, as well as sensible cost control.”

In support of the rights issue and to demonstrate its commitment as a sponsor of FCOT, Frasers Centrepont Limited (through its unitholding subsidiaries), has subscribed for its aggregate pro rata entitlement of 22.2% of the total number of rights units under the rights issue.

¹ On a pro forma basis, as at 30 June 2009

The FCOT rights issue was fully underwritten by Joint Lead Managers and Underwriters: DBS Bank Ltd, BNP Paribas Singapore Branch, Cazenove & Co. (Singapore) Pte. Limited (a Standard Chartered Group company) and Oversea-Chinese Banking Corporation Limited.

The rights units will rank *pari passu* in all respects with the existing units in issue and will be entitled to any distributions which may accrue from 1 July 2009. FCOT remains committed to paying out 100% of its distributable income for the financial year ending 31 December 2009.

The Manager expects that the rights units will be listed and quoted on the Main Board of the Singapore Exchange Securities Trading Limited with effect from 9.00 a.m. on 27 August 2009.
